3 Shelves VARIABLE Set**

# FEATURES AND SPECIFICATIONS

Wardrobe Storage is a modular system allowing you to custom design your wardrobe space, adaptable to your needs and storage requirements.

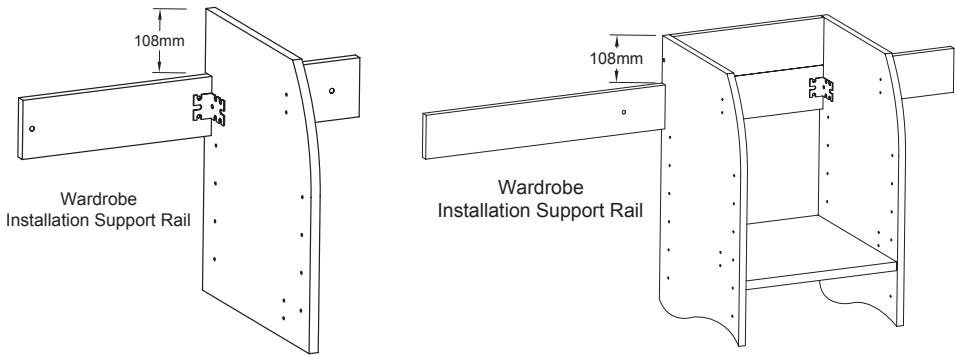

Make the most of your living.

The system is designed to be suspended on a wall rail pre-fixed to the wall, so accommodates top storage as well as floor storage on suspended units.

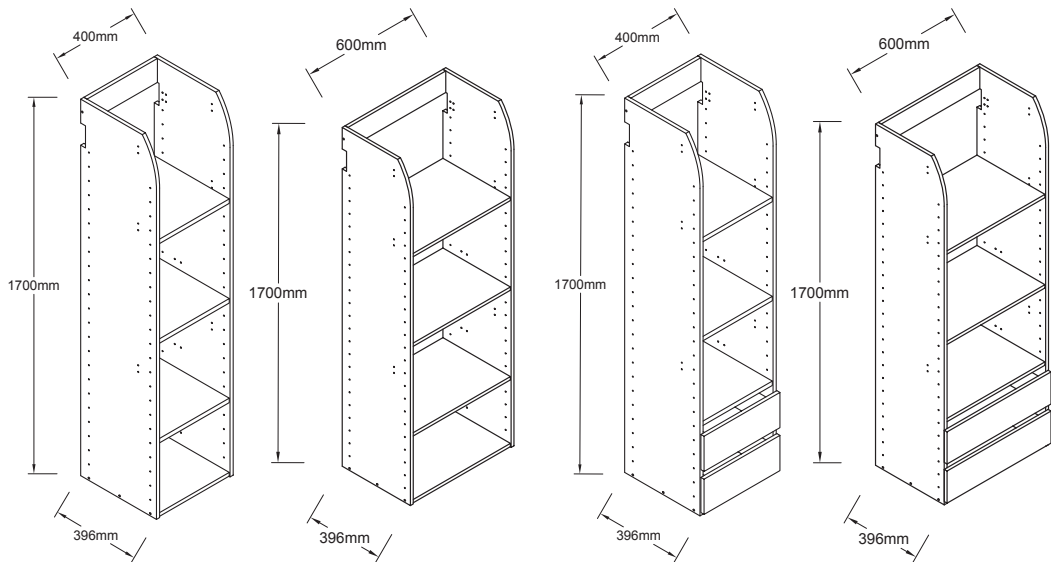

- 16mm melamine faced board
- Pre-drilled easy assembly
- Fully adjustable shelves
- Soft-close pre-assembled drawers
- High bond adhesives on all edgings
- Industry standard warranty
- 5 working days ex-works
- Order online 24/7
